We Walk Together - In reflection on the past, faith in the present, and belief in the future. Day to day experiences based on reflection, faith, and belief bind us together as we move through the school year.

It is the hope of the MONTALA staff that MONTALA '70 has captured and recorded experiences filling the 1969-1970 MHS school term. We strive to show MHS students and faculty together as they explore all facets of school life: academics, organizations, school events, and sports.

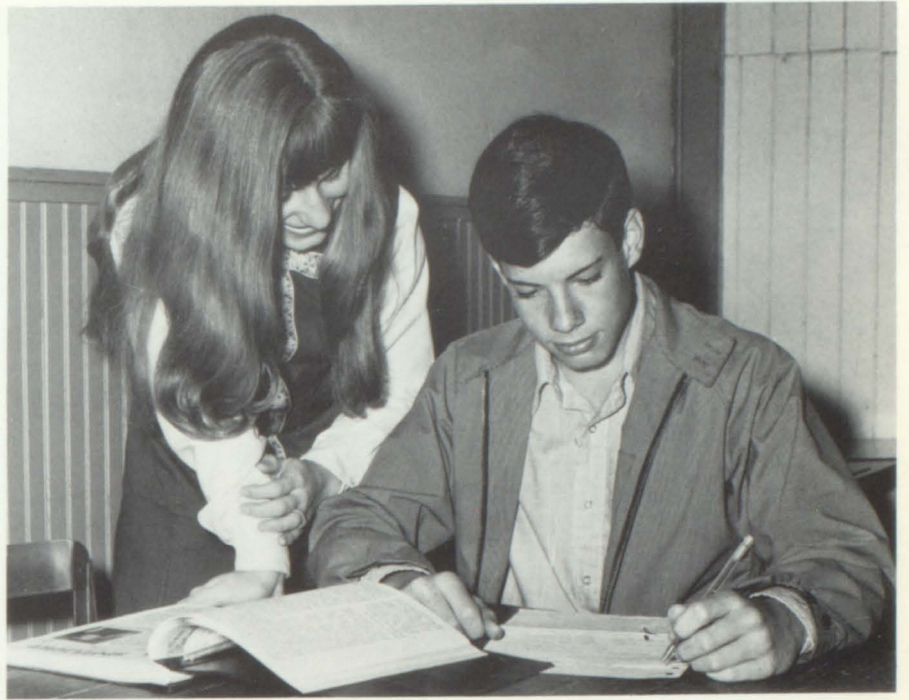

We Walk Together at MHS learning, living, teaching each other. In the classroom students delve into the past to gain insight for understanding the present. From this newly acquired knowledge MHS'ers then form concepts for planning their future. As students learn more about the fields they study, their instructors also share in learning experiences. In daily contact, students and teachers enlighten each other about the business of living and learning.

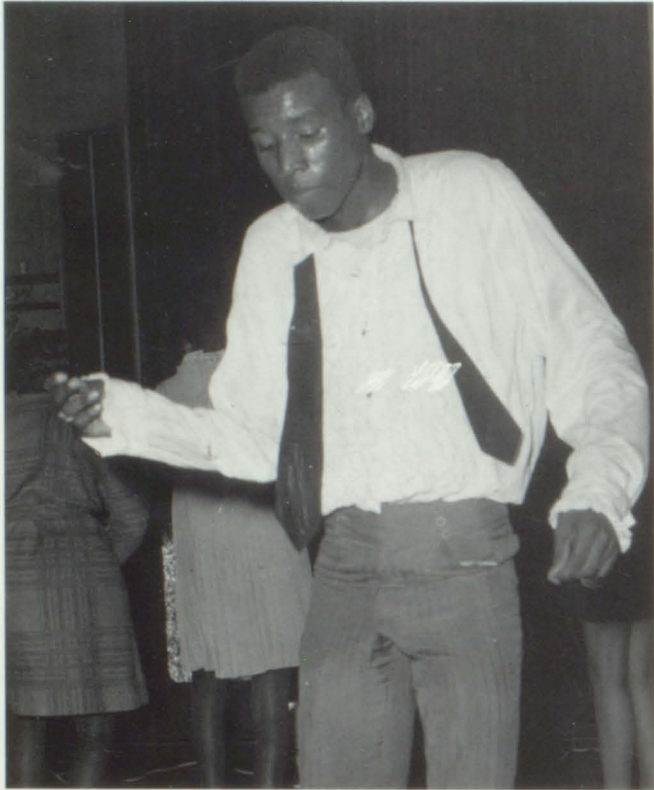

We Walk Together because of the cohesive force of clubs and organizations. Each Tuesday a 40-minute activity period is devoted to club meetings. However, some organizations such as the publication staffs and band spend many hours after school to perfect their skills. Taking part in extra-curricular activities, students not only come to know each other better, but as a group have the chance to carry out service projects on school and community levels.

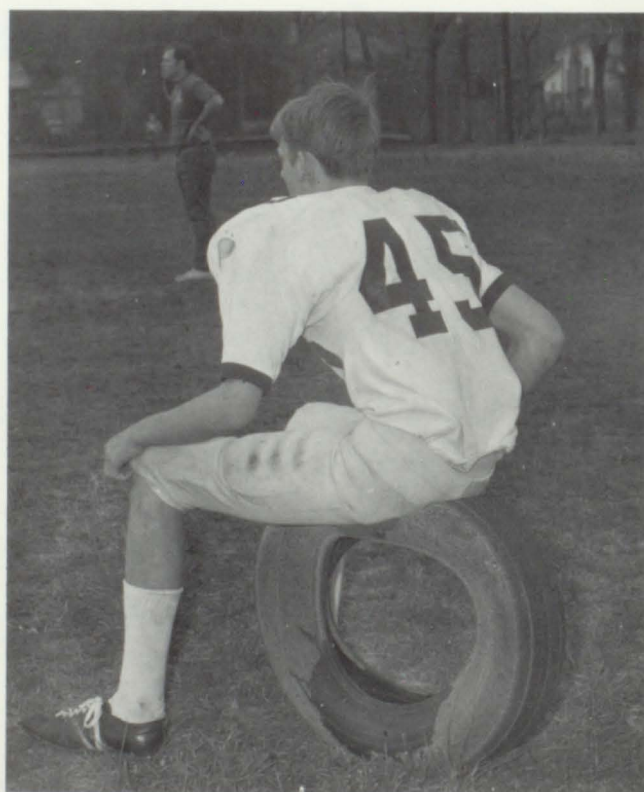

We Walk Together in the excitement of "special" events at MHS. School is books, teachers, classes, long Mondays, and even longer Fridays; but school is also a sock-hop after the game and the glamour of long awaited dances. It is the suspense of school elections or Honor Society initiations, and a sigh of relief when one can put away books and just relax. All these are the activities that draw us together in excitement and anticipation.

We Walk Together in the exacting competition of high school sports. Through the varied programs offered at MHS young athletes develop both physically and mentally. Besides providing an outlet for individual achievement, it teaches each participant the importance of responsibility and team work. Through long hours of practice and decisive games a feeling of fellowship manifests itself among team members. This spirit conveys itself not only to spectators but to the student-body at large.

Office Keeps MHS Running Smoothly

The central force of any school is its administration and faculty. Coordinating the efforts of teachers, guiding students, and executing school business are a few of the daily duties for maintaining a harmonious atmosphere and an orderly school day. Mr. Corbett, Mr. Jones, and Mrs. Long help keep the MHS office running smoothly.

MRS. HAZEL SHARP - English

MRS. FRANCES ANTHONY - English

MR. JOSEPH DIORIO - French

MRS. MARY HOLT WILLIAMS - Spanish, English

MRS. CAROLYN EDFELDT - English, Journalism,

MRS. ANN PARKER - English,
Remedial Reading.

Teachers Build Language Skills

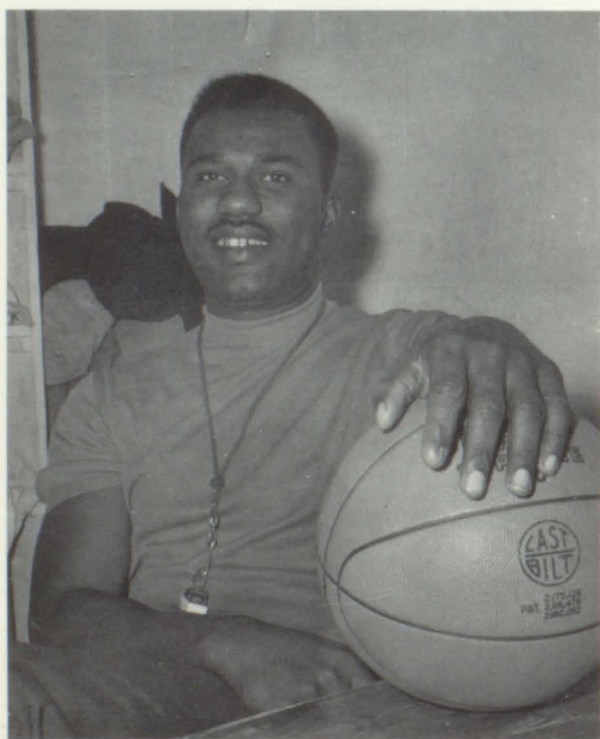

Regardless of what course of study a student is following, a thorough background in English is necessary. For those who are college-bound a foreign language may also be required. The language department at MHS offered first year French and Spanish this year in addition to English and remedial reading.

MR. CHARLES MARTIN - History,
Driver's Ed., Coach

MRS. BETTY YANCEY - Girl's P. E.

MR. LAWRENCE MCGRAW - Boy's P. E.

MRS. SARA CAIRNS - History, English

Old and New Combined Make All-Around Student

A knowledge of the old and new is equally important for a complete education. Each MHS student is required to complete four history courses. While history class concentrates on the past, physical education teachers strive to make each MHS'er a stronger, healthier individual.

MRS. MAENOLIA McGRAW -
History, English

MRS. BLANCHE COGER - History

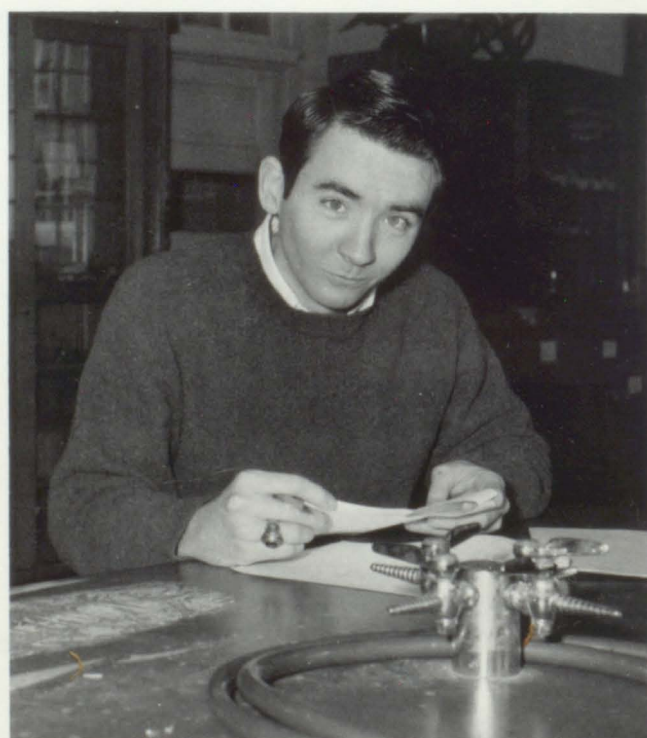

Students of science and math are taught to deal in facts and logic. The same process of logical reasoning needed to solve an intricate scientific or mathematical equation is also applicable to all other areas of the individual student's work.

Happiness Is —

Senior - that awesome title of superiority; the all-time status symbol. This prestige reaps many benefits. The term earns wide-eyed wonder from underclassmen -

"Gee! A Senior!" and a teensy bit of advice from the faculty.

"You Seniors are responsible, mature young adults now. So act like it!" Seniors earn material rewards -

"My ring's too big. I'll lose it."

"I look absolutely horrible in my portraits. My nose is too big, my smile is fakey, my hair is messed up, and there's a zit on my chin."

"I addressed all my inside envelopes upside down."

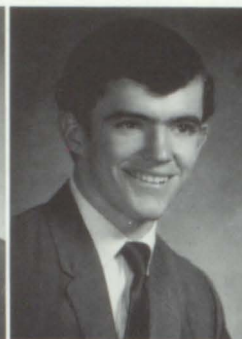

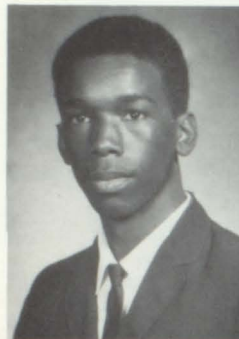

"Just two weeks, three days, six hours ..."

"Sign my memory book and don't you dare write anything dirty ... oops ... that wasn't my book!"

Two Appearances

At the end of the football season each year, the MHS Marching Band transforms into a sixty-three piece concert group. Marching majorettes and football players assume their positions when the grid-iron season ends. Combining with the Chorus, this year's concert programs were presented during the months of December and May.

Joanne McGlown, Librarian; Kay Green, Secretary-Treasurer; Lolly Seaman, Second Vice-President; Debbie Cunningham, First Vice-President; Mary Lou Reeder, President.

The MHS Marching Band under the field direction of Dee Dee Garrett, drum major, participated in this year's Marching Festival in Gadsden. They also performed in Montevallo's Fall Festival and Christmas Parade.

Band members receiving the highest awards were Beth Anthony, Head Majorette; Dee Dee Garrett, Outstanding Senior; and Laurie Gene Orr, Most Outstanding Musician.

Band representatives pictured are Ann Nathews, James Nix, Randy Merijanin, and Pam Brown.

After a year of preparation, the junior band made up of seventh and eighth graders will graduate to the "big" band. Performing during the spring concert, the group meets each day during the regular school term for practice sessions.

The Chorus also under the direction of Mrs. Doris Lien meets daily as a regular class and performs with the band during the concert season. Highlighting the spring concert were soloists Ronnie McCary and Marion Paschel. Becky Smitherman serves as pianist.

Award winning majorettes pose for photographer. During the month of December they attended the Tuscaloosa Area Twirling Contest where they took four awards - First place in Corps Dance Twirl and Most Beautiful Costume. The two senior members, Beth Anthony and Mary Lou Reeder won the top places in Beauty and Solo Dance Twirl, respectively.

FTA Active in School Affairs

FTA is one of the largest clubs at MHS and is for those students interested in exploring teaching as a career. As a part of its service to the school, this organization provided teachers with aides to help them during the day. This chapter also sponsored Teacher-Appreciation Week and worked with PTA Open House and Mr. Corbett Day. In addition to local club activities, several members have also been active in district and state affairs. DeeDee Garrett has served as fifth district president during the current year and was also selected as Miss FTA of Alabama during the state convention. Susan Edfeldt has also been active on the state level while Kay Green has served as fifth district secretary.

FTA officers are Mary Lou Reeder, President; Lolly Seaman; Susan Edfeldt; Bobbie Jo Parker; Carol Brown; Martha Sue Barkley.

FHA Projects Benefit School

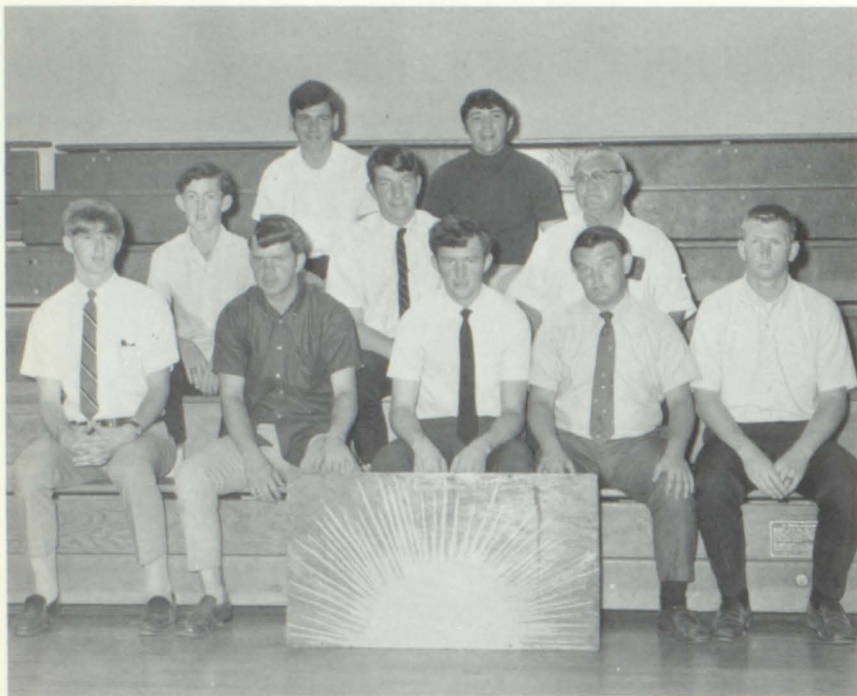

Other members of the executive council are Sherry Lagrone, Parliamentarian; Conchita Hernandez, Reporter; Carol Youtz, Historian.

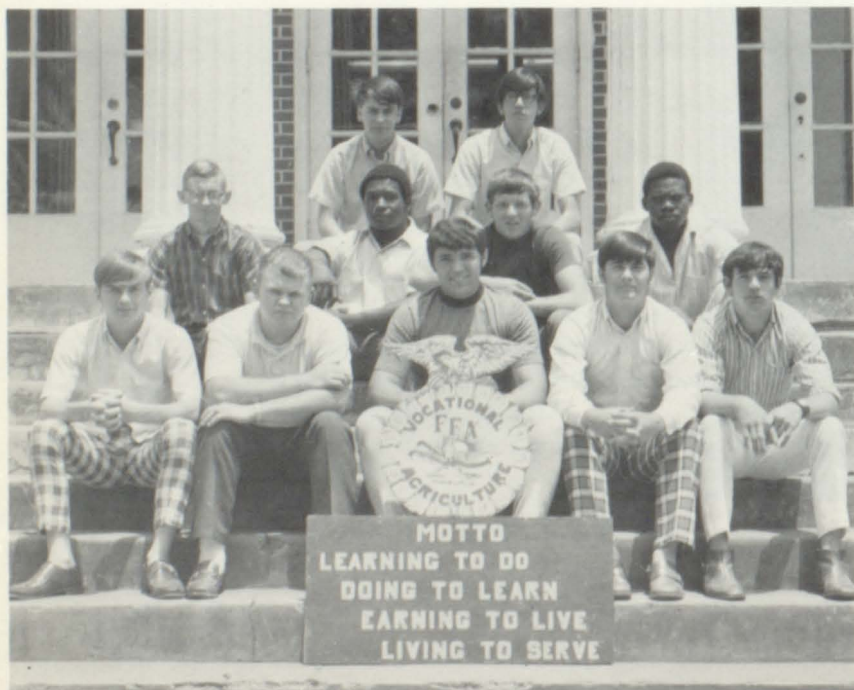

FHA members smile for their annual portrait.

FHA'ers have had numerous activities and projects for the year. They purchased shades for the home economics building and donated their time to make weekend visits to the Shelby County Nursing Home. In March the club sponsored a second spring fashion show with outfits from Simplicity patterns. A current project is to plant a wildflower garden in the proposed city park.

The 1970 official slate of officers include President Roger Bice (center); Larry Pickett; Dennis Glosson; Wayne Pickett; Anthony Thompson; Mike Pickett; Charles Stano; Mr. M. Thornton, Advisor; Larry Rice; Lee Cupps.

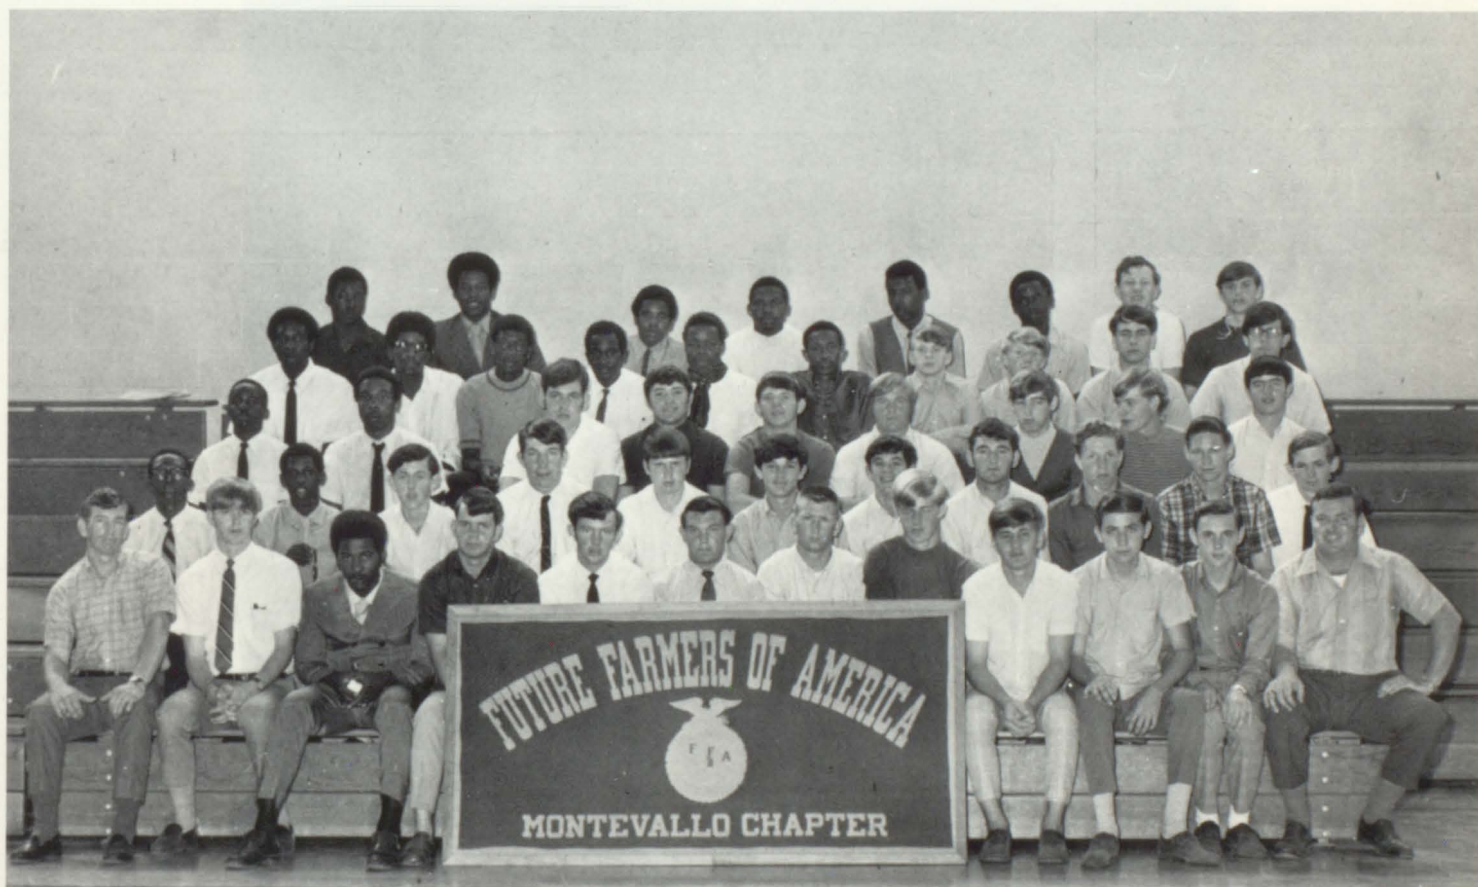

FFA Travels

Incoming officers for 1971 display motto.

FFA'ers are a travelling group. During the year those boys having completed a year or more of vocational agriculture visited several large corporations such as Westinghouse, Abex, and Moore-Handley. They also toured vocational schools in Childersburg and Clanton. The group aided the school by running the concession stand at football games, trimming shrubbery, and planting grass.

Library Club is open to ninth grade students interested in reading. Mrs. Anne Milford is sponsor.

Junior High Math Club

Junior High Math Club meets every fourth Tuesday under the leadership of Mrs. Betty Smith and Mrs. Martha McDonald.

Junior Science Club Visits Zoo

Mrs. Emily Pendleton, sponsor, shares copies of "Animal Tracks" with club officers Roy Cunningham, President; Becky McCulley, Secretary; and John Miller, Vice President.

Each year, Science Club members take a jaunt to celebrate the completion of their May science exhibits. This year, members boarded a bus for the Jimmy Morgan Zoo where Zoo officials treated the group to a guided tour. The group is affiliated with the Alabama Zoological Society and sponsored a "Zoo" assembly this year for the junior high school.

Cheerleaders "take five."

V-I-C-T-O-R-Y

Personality, yells, and stunts are all a part of cheerleading and are used as a basis for election as girls go through a rigorous judging program each year. In addition to leading the cheering section at football and basketball games the girls also sponsor "pep" rallies and school spirit contests and annually attend summer clinics.

Bulldogs Tie County Champ

Cheerleaders honor players with a cake at pep rally.

MHS opened the '69 season at Vincent on a rain-soaked turf with a hard-fought 14-6 victory. The Yellow Jackets scored first with a third-quarter touchdown. Minutes later the Bulldogs rallied on a 52-yard touchdown pass from Anthony Staffney to Larry Fields. Roy Goggins kicked the extra point. Fields added 6 more with a 62-yard TD romp. Goggins converted for the final point.

In the first home appearance of the season the 'Dogs rapped Chelsea 40-6. Fullback Roy Goggins led the attack, taking across two touchdowns, kicking two extra points, and running a two-point conversion. A 63-yard TD pass from Staffney to Fields and a 27-yard TD pass from Rick Yancey to Staffney accounted for the remainder of the Bulldog scoring. Chelsea scored late in the fourth quarter for their only points.

Despite a constant downpour, MHS made it three wins in a row on Thompson's home soil. The squad blanked the Warriors 26-0. Roy Goggins paced the Bulldogs with three touchdowns, one a 90-yard haul. Larry Fields scampered 25-yards to finish up Montevallo's TD's.

Anthony Staffney hit Rick Yancey for two points.

Dropping four points in conversion proved the difference as the Bulldogs toppled under the Clanton Tigers' attack 16-12. Montevallo's Ray Bearden and Roy Goggins scored two first-quarter TD's to grab a 12-0 lead. The Tigers roared back with a 78-yard kickoff return, and took advantage of a Bulldog fumble at the 37-yard line to complete the scoring. The two conversions clenched the game.

Victory highlighted MHS Homecoming for the first time in eight years as the 'Dogs trounced the Jemison Panthers 22-8. Speedster Larry Fields romped for three touchdowns, one an 85-yard punt return, another a 79-yard scoring sprint. Staffney fired to Shannon Allen and Roy Goggins for two conversions. Jemison's lone score came in the second-quarter.

Bulldogs pulled an upset when they whipped B. B. Comer 14-7 on Tiger territory. Comer led 7-0 until late in the third-quarter when Ray Bearden snatched a Tiger pass and romped 46-yards for the first six points. A quick

Anthony Staffney - Rick Yancey combination added the two-point conversion. Roy Goggins raced 71 yards on a fourth down punt for the final TD. The PAT fell short. The Tigers scored early in the first quarter.

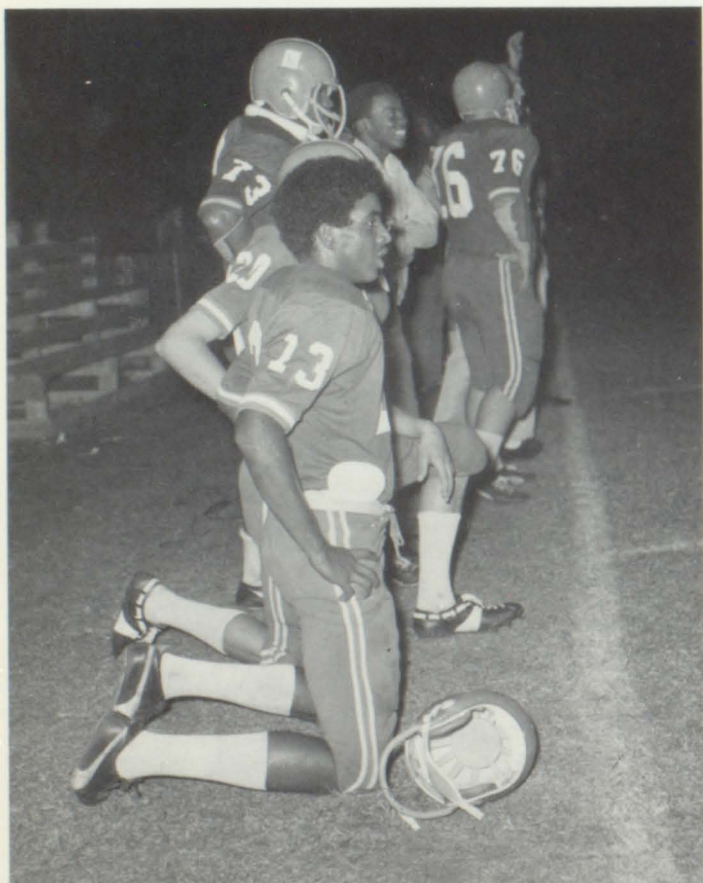

Frenzied action and nerve-splitting tension marked the No. 1 game of the year - Montevallo vs. Shelby County. The two teams, ranked first and second in the county, battled to an 8-8 deadlock on the Wildcats home ground. At halftime Shelby topped the Bulldogs 2-0 as the 'Cats blocked a punt into the end zone. The edge held until only 51 seconds remained. In the last minute of play Anthony Staffney looped a 35 yd. pass to Larry Fields to put the ball on the Shelby nine. Staffney bulldozed over in two plays, and Roy Goggins squeezed through for the tying two points.

The Bulldogs clinched a County Championship tie by defeating the Calera Eagles 13-0. MHS scoring came in the first half as a stubborn defense blanked Calera. Fields and Yancey racked up the Bulldog points. Fields swept in from the nine for the first six points, while

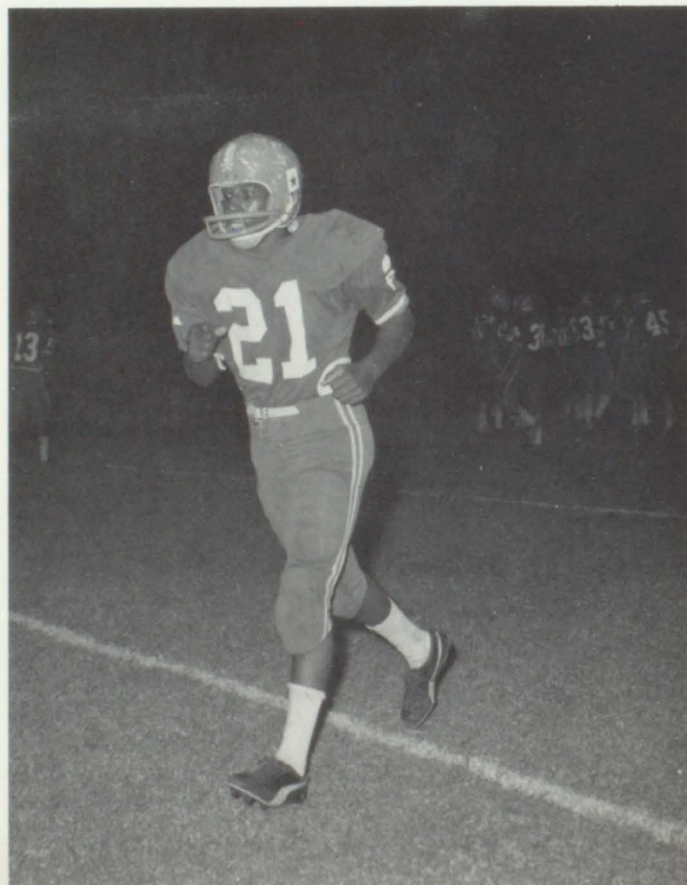

Yancey pulled a Staffney pass and paced 41 yards to paydirt. The two-point conversion failed.

Rain, mud, and errors doomed MHS to a 28-20 loss to West Blockton. In a continuous rainfall, the Tigers moved in to stun the Bulldogs with a 14-6 halftime scoreboard. Montevallo points came as Staffney hit Yancey and Fields for short runs in the first half. Bulldog scoring then vanished until the final play when Alex Lilly grabbed a Tiger fumble for a 25 yard TD. Staffney and Fields teamed up for the final two points.

MHS ended the '69 season in winning form, tripping the Oak Grove Tigers 15-14. The Bulldogs' toll at 7-2-1, was their best record since 1961. The Bulldogs matched the Tigers with two touchdowns by Roy Goggins and Anthony Staffney. End Roger Bice pulled in a pass from Staffney following the first TD to add two points which tied the score at 8 all. Oak Grove scored again for a 14-8 lead but the extra point-attempt failed. The Bulldogs scored in the fourth quarter to tie the score. Goggins added the PAT which was the decisive margin.

Montevallo meets Thompson in an Invitational Tournament.

MHS's two big men, 6'4" Wayne Alexander and 6'5" Jimmy Surface, set the pace for a 15-8 season. Alexander made both the All-County and All-Area Tournament teams. Leading the Bulldogs in scoring and rebounding, Surface was also selected for all tournament honors.

Lacking in height, but not in determination and hustle, the MHS B-Team compiled a 19-5 record and won second place in the county tournament. All-County B-Team honors went to Michael Harris, Andrew Lilly, and Rodger Smitherman.

Led by John Baker, Mark Criswell, and David King (MVP), the Junior Team took first place in the county tournament.

1970 marks the fourteenth year that National Honor Society members have worked together to produce the Montevallo High School yearbook, the MONTALA. This year, Honor Society members were assisted by Joe Miller, photography, and by Jeff Wilson. Jeff designed both the cover and the division pages to carry out this year's theme - We Walk Together. Sponsor for the group is Mrs. Emily Pendleton.
